

SAFE DATES

SAFE DATES IS A PLACE TO:

- Have a REAL & HONEST talk about issues in relationships with the opposite sex.
- Help friends dealing with abusive relationships.
- Overcome gender stereotypes.
- Figure out how to “speak each others language”.
- Talk about power in relationships and how to get your fair share.
- Address sex and consent in relationships.

Safe Dates is meant for both young men and women to discuss issues of healthy dating over the course of 10 weeks. Join safe dates today to better understand these dynamics and find out what you want out of your relationships.
